

Welcome to Broad Creek!

Dear Campers,

Celebration is in the air, as Broad Creek Memorial Scout Reservation turns 75 this year! It's difficult to imagine the many thousands of Scouts who have moved in and out of our beloved camp, and the exponential impact those experiences have had turning Maryland, and the world, into what it is today.

This summer's program will be a celebration of the 75 years that came before, and a peek into the new advances the next 75 years will bring. The last few years have brought improvements to the facilities of Broad Creek that make us increasingly more of a 21st century camp.

Cub Adventure Camp at Broad Creek is essential for any Cub Scout. It develops independence, teaches new skills, and instills comfort with the outdoors into all who attend, all within the safe program environment Scouting has to offer. As a parent, we invite you to participate alongside your Cub Scout. These lifelong memories shared between you and your Scout are essential to your Scout's development, and are a peek into what is to come for them later in the Scouting program.

Once again, we offer a hearty welcome back and a genuine thank you for choosing Broad Creek for your summer stay. Make sure to join us on one of our pre-arrival webinars; otherwise, we look forward to seeing you soon around the campfire!

Yours In Scouting,

Ryan Jackson
Council Camping Director

Pre-Camp Planning

Camp Registration

Registrations for summer camp are made first-come, first-served through our Black Pug camp registration system available at <https://scoutingevent.com/220-23cac>.

Registration is open to Cub Scouts, Cub Scout siblings, and Cub Scout parents.

Registration Fees

	Early Bird	Standard	Additional Sibling	Adult
3-Day	\$195	\$215	\$185	\$70
Weeklong	\$300	\$325	\$265	\$100

All registrations require a 5% per registrant deposit fee to reserve spots. This is a non-refundable fee to secure your campsite and will be applied to your final invoice.

The **Early Bird** payment rate is a discount opportunity for youth registrants that ends June 1st, 2023.

Additional Cub-age Siblings (ages 5-10) may register at a \$10 discount per day.

Parents, leaders, siblings under 5, and siblings over 10 may register using the **Adult** rate.

Refund Policy

Before June 1st, there is no penalty for cancelling or adjusting your unit's registration. From June 2nd to July 31st, any reductions in attendance or cancellations will result in a 15% cancellation fee. After August 1st, there are no refunds, pending exceptions made for extenuating circumstances. The decision to issue a refund after August 1st lies solely with the Camp Director.

Camperships

Each year, the Baltimore Area Council presents several camperships to Baltimore area youth attending Broad Creek. This assistance will not exceed 50% of the summer camp early bird registration rate and can only be used for summer camp registration. To be eligible for a campership, a Scout must meet the following conditions:

1. Belong to a unit with a Baltimore Area Council charter
2. Have a demonstrated need for assistance
3. Turn in a complete campership application prior to March 31st

After turning in the application, the youth's unit should pay 50% of the registration fee. Applications are then reviewed by a volunteer committee. Once decisions are made, the parents of the youth will be notified via mail if they've been granted or denied assistance. Decisions will be made based on the level of need and on available funds. Camperships are non-transferrable between scouts.

Arrival at the Rosenberg Welcome Center

The Rosenberg Welcome Center serves as the Reservation Headquarters (RHQ) and Summer Camp Administration Building.

Parking

All vehicles must be parked at the Rosenberg Welcome Center parking lot. Handicap passes may be passed out on request.

Check-In

Check-in begins at 1:00pm. Once you arrive at the Rosenberg Welcome Center (pictured on the previous page), one adult from your group will go inside to check-in. At this time, you will receive your program guide for the week and turn in your shooting sports waivers. Every camper will be placed in a temporary Pack with other campers and groups sharing the same campsite.

All campers (youth AND adult) will confidentially review their medical form (BSA form 680-001) with a staff member. Food allergies will be double-checked and relayed to the kitchen staff.

After Medical Recheck, the medical forms will go with the Camp Health Officer and will be kept secure at the Health Lodge for the remainder of the week.

After this, you will also meet your assigned Den Chief from the Camp Staff. Your Den

Chief will accompany your Pack throughout the check-in and check-out processes.

Camp Tour

After checking-in at the Rosenberg Welcome Center and setting up at your campsite, your Pack will be led on a tour of the camp. As part of the tour, your Pack will be doing their med rechecks and swim tests, as well as seeing many of the program areas.

During your camp tour, you will be stopping by the Dining Pavilion for brief discussions on hydration, hygiene, and our camp Code of Conduct.

Swim Test

Swim tests will be completed at the Pool after visiting the dining hall. A staff member will give an overview of the tests, as well as policies of the Pool and Showerhouse. Any camper who does not want to take a test will be given a non-swimmer wristband at the showerhouse. Campers will rinse off in the showers, and then attempt their tests.

At this time, Broad Creek only accepts swim tests administered by Broad Creek staff.

Campsite Move-In

During your campsite move-in, your Den Chief will inspect the condition of your campsite at move-in. Any damages or messiness that was missed during the pre-arrival inspection of the campsites will be noted on your Den Chief's campsite move-in form and fixed later in the evening.

Accommodations and Facilities

Campsites

Each campsite at Camp Saffran contains picnic tables, bulletin boards, flagpoles, and shelter. They also come equipped with several 2-person canvas wall tents. Wall tents are available for the weeklong program and to weekend participants upon request. All campers are welcome to bring their own tent(s).

Some sites share a water source and latrine. There is a community bathroom and shower facility in the Pool complex.

Internet Service

Broad Creek has updated its internet service, switching from satellite to modern broadband internet with much faster speeds.

While many come to Broad Creek to escape the outside world, Scouting in the modern

age often comes with a need for internet communication.

Wi-Fi is available at the Rosenberg Welcome Center, the Trading Post, and the Health Lodge. The password for the "BroadCreekGuest" network is "trustworthy".

Cubmaster's Lounge

The Rosenberg Welcome Center meeting room will be available during the day as a quiet area for parents to relax in the AC and complete work. This room will also be the site for some of our adult trainings.

Commissioner Service

Our camp commissioners rove Broad Creek during the session and are your resource for problem-solving, giving feedback, and getting general info about the Broad Creek program. They are here to help you have the best session possible and will do everything in their power help resolve the challenges campers may commonly face at summer camp. You will likely see them stop by your campsite once or twice a day.

Trading Post

Located at the lower parking lot, before the Dining Hall, the Trading Post offers a variety of products for those here at camp. Known primarily as a popular spot to get candy or ice cream, we also sell various camp merchandise such as shirts and hats. We also sell necessities such as water bottles, batteries, painkillers, and maps. Come and check out our inventory!

Quartermaster

Forget that one item at home? Broad Creek has a collection of camping items that are available for campers to borrow. Ask your commissioner or head to the Rosenberg Welcome Center to request or sign out a piece of our camping equipment.

Chaplain Service

Once per session, our Camp Chaplain convenes an interfaith Scout's Own service at the camp Chapel. Check the program schedule on arrival to camp to know when to be there! Our chaplain is also available to provide other religious services to campers upon request.

Dining Service

Breakfast and dinner always follow the morning and evening flag ceremonies.

Those with dietary restrictions are asked to report their restrictions through the registration system and in-person during medical re-checks, so that the Dining Hall staff can match faces to names.

Policies and Procedures

Youth Protection

Broad Creek is dedicated to abiding by the BSA standards of Youth Protection. All adults staying overnight are required to complete BSA Youth Protection training at my.scouting.org.

We abide by the BSA Youth Protection Mission Statement:

True youth protection can be achieved only through the focused commitment of everyone in Scouting. It is the mission of Youth Protection volunteers and professionals to work within the Boy Scouts of America to maintain a culture of Youth Protection awareness and safety at the national, territory, area, council, district, and unit levels.

In preparation for camp this summer, please have all leaders review [Scouting's Barriers to Abuse](#).

Program Supervision

One-on-one contact between adult leaders and youth members is prohibited both inside and outside of Scouting, either in person, online, over the phone, or via text. Two-deep adult supervision by registered adult leaders 21 years of age or over are required for all Scouting activities.

At Broad Creek, common areas of camp, such as the shower house, trading post, and the sport courts, must be supervised with an adult nearby. If you know many of your Scouts are heading to one of these areas for an extended time, please send an adult to be in the area.

Separate Accommodations

Separate accommodations for adult males and females and youth males and females are required for tenting, lodging, and restroom facilities.

Tenting and Lodging

Youth sharing tents must be no more than two years apart in age. Parent(s) or guardian(s) may share a tent with their youth under age 10 but may not share a tent with youth over the age of 10.

Shower and Restrooms

Broad Creek has separate shower facilities for adult male, adult female, youth male, and youth female, all available at the pool shower house. The trading post restrooms are reserved for adult use-only, while the Rosenberg Welcome Center public restrooms are available to all and separated between male and female. Rosenberg has any-gender restrooms available inside upon request.

The Buddy System

At Broad Creek, all campers must always use the buddy system while in camp. A minimum of two individuals should always remain together.

When travelling to different program areas, campers must do their best to stay within eye or earshot of their buddy.

Allegations of Bullying or Abuse

Suspected bullying or abuse must be reported as soon as it is suspected. Failure to do so may result in criminal or civil penalties. No state requires that you have proof that abuse has occurred prior to making the report, only that it is suspected.

Call 1-844-SCOUTS1 to report the situation.

All reports must be immediately reported to the Camp Director. Initial reports may be oral, but any oral report must be documented in writing at the earliest possible time.

In cases involving allegations of sexual abuse against an individual, the Scout Executive of the council in which the alleged abuser resides is also responsible for implementing proper procedures.

Minimum Supervision Requirements

All Tiger and Lion Cubs, as well as any siblings not registered as Cub Scouts, must have a parent present to participate.

All other ranks of Cub Scouts may attend without parents if they attend with their Cub Scout Pack. Packs attending camp need at minimum two registered adult leaders aged 21+.

Cubs attending Cub Adventure Weekend (3-day) may attend with their family or as part of a Cub Scout Pack. Cubs attending the Weeklong Adventure (6-day) must attend with their pack and have a ratio of two adults to a maximum of eight youth and one additional adult for each four additional youth (or part thereof). All adults participating in the Weeklong Adventure (6-day) must be registered members of the BSA, including parents.

The following are all acceptable examples for minimum adult supervision:

<u>Program</u>	<u>Youth</u>	<u>Adults</u>
3-day	1 Cub Scout	: 1 parent
	3 Cub Scouts	: 2 parents (all Cub parents are present)
	3 Cub Scouts	: 2 registered pack leaders
	10 Cub Scouts and 1 sibling	: 2 registered pack leaders and 1 parent of sibling
6-day	3 Cub Scouts and 2 siblings	: 2 registered pack leaders (one is parent of siblings)
	7 Cub Scouts	: 2 registered pack leaders
	9 Cub Scouts	: 3 registered pack leaders
	13 Cub Scouts	: 4 registered pack leaders

Health and Safety Services

Health and Medical Record

All campers remaining in camp more than 72 hours must bring to camp a completed [Annual Health and Medical Record \(BSA Form 680-001\)](#). This record is brought to medical re-check, remains with the Camp Health Officer for the duration of the week, and is returned on departure.

Medications

All youth bringing medications to camp are required to have a Drug Administration Record form completed by a parent (see appendix).

If medications will be controlled and administered by an adult leader, these forms will be kept by the Cubmaster. In this case, medications are required to be kept behind a lock and refrigerated if needed. Locked containers will be brought by the unit.

In all other cases, these forms will be submitted to the Camp Health Officer during medical re-check. These medications will be controlled and administered at the Health Lodge by the Health Officer.

Adults, 18 years or older, who wish to keep their medications with them in their campsites must complete a Medication Storage Release Record (see appendix) and submit it during medical re-check.

Hydration

Clean, potable water is available at all program areas and campsites. All campers are expected to bring their own container for water. Every person is strongly encouraged to drink five quarts of water per day.

Heat Flag Advisory

Broad Creek uses a heat flag advisory system to strongly recommend when to take breaks and how much to drink. Ratios below are total minutes of activity by minutes of rest (activity:rest) and the number for water represents quarts drank per hour:

		Green	Yellow	Red	Black
Index		82-84.9	85-87.9	88-89.9	90<
Easy	Ratio	No limit	No limit	No limit	50:10
	Water	1/2	3/4	3/4	1
Mod.	Ratio	50:10	40:20	30:30	20:40
	Water	3/4	3/4	3/4	1
Hard	Ratio	30:30	30:30	20:40	Rest only
	Water	1	1	1	1

The conditions of the heat advisory will be indicated by a colored flag raised on the flagpole on the Health Lodge porch and sent out to staff.

Emergency Procedures

If you are aware of an emergency, report it to the Rosenberg Welcome Center, the nearest staff member, or call the Camp Director at 443-573-2525.

Please be prepared to report the exact locations and nature of the emergency.

All emergencies at Broad Creek will be identified by three blasts of the siren.

If the siren sounds during daylight hours:

All campers will report to the parade field; if program is in session, staff may lead Scouts in program areas to the parade field. Units assemble in flag formation and take attendance. The Camp Director or Program Director will collect head counts from each unit.

If it is unsafe to gather at the parade field, the adult campers should take a head count of who they have with them and wait for staff runners to come to their campsite. Campers in program areas will be held, counted, and dismissed as normal at the conclusion of the emergency.

If the siren or bell sounds during night hours:

The adults should take a head count and wait for a staff member to arrive. Further information will be given at that time.

Insurance

For Baltimore Area Council Units

When medical or surgical treatment is involved, benefits more than the first \$300 will be payable only for the expenses shown (Up to \$15,000 for Accident Medical Expense Benefits and Up to \$7,500 for Sickness Expense Benefits) which are not recoverable under any other insurance policy or service contract. If no other collectable insurance is available, this Primary Excess Provision will not apply.

Medical coverage under this plan does not provide duplicate benefits when an insured member is also insured under another BSA plan or Learning for Life plan for a national or regional sponsored camp or special event.

Out of Council Units

When medical or surgical treatment is involved, each Pack should submit copies of their council’s insurance information. If you do not have accident insurance at this time, you should obtain it so you will be protected all year long. The Baltimore Area Council cannot provide accident or medical insurance for out-of-council campers.

Missing Home

Camp is a different environment for many youths. Many campers, new or old, may suffer from missing home (aka, “homesickness”). It is important to train your adult leaders in how to spot missing home, so you can respond in a way that’s comforting to your youth. There are many symptoms, including:

- Headaches
- Disturbed sleeping patterns
- Feeling overwhelmed
- Sore throats
- Lack of appetite or concentration
- Crying
- Feelings of low-esteem or self-worth

If missing home happens, feel free to consult our Commissioner, Health Officer, or other members of our staff at any time. We are happy to help but usually we will not interfere until asked.

How to Treat Missing Home

Try to discover exactly what is bothering your Scout. Youth can miss home for various reasons, including:

- Missing their parents
- Disliking the food
- Bullying
- Poor sleep

Once you discover exactly what is bothering your Scout, develop a plan to fix it. Avoid making promises you cannot keep, or bribing campers to stay at camp; any youth who overcomes missing home will feel pride in doing so.

Early Departure from Camp

All youth who attend camp without their parents who intend to leave camp early must have a completed Parental Release of Campers form turned in to the Welcome Center. This form is only required for those who will or may need to be picked up early. It can be turned in on arrival or any time prior to pick up.

Camp Security

Wristbands provide an identification system to those who belong in camp. All campers will have colored wristbands, while visitors to camp will have white wristbands. Camp staff are identifiable by their staff t-shirts and ID badges.

If you come across anyone in camp without a wristband or staff uniform, please alert a staff member or escort them to the Rosenberg Welcome Center to check-in or be dismissed from camp.

Vehicle Usage

In the interest of safety of our campers who walk along camp roads, these rules are to be followed:

- Vehicles may NOT be used to drive around camp after check-in
- All drivers must have a valid driver's license and all vehicles must be properly registered and insured
- Broad Creek and the Baltimore Area Council are not responsible for damage to vehicles parked in camp

Smoking

Smoking is prohibited in camp except in designated areas out of sight of youth. Smoking in the presence of youth may lead to dismissal from camp.

Please check with Camp Leadership for the location of these designated areas.

Uniforms in Camp

Activity uniforms (Class Bs) should be worn for most of your stay.

Field uniforms (Class As) are recommended for evening flag ceremonies and opening/closing campfires. Field uniforms will be recommended against in the event of black flag heat advisories.

I. History of Broad Creek

Baltimore Area Council (BAC), Boy Scouts of America (BSA) owns and operates the Broad Creek Memorial Scout Reservation which consists of over 1600 acres of pristine Maryland woodlands and two operational camps: Camp Saffran (Boy & Cub Scouts) and Camp Oest (Primitive Camping). BCMSR is the fifth largest block of undeveloped land in the Baltimore metropolitan area (after Aberdeen/Edgewater, Patuxent Wildlife Refuge, the Gunpowder and Patapsco State Parks). It contains valuable wetland habitat, important and increasingly rare large tracts of forest interior, and an even rarer old-growth hemlock stand. In 1970, the Assistant State District Forester wrote, "These areas should be left as primitive areas... without interference from man. The most impressive stand of mature hemlock trees by this writer (in the region) can be found here." In 1954, his predecessor wrote, "It is suggested that a 'hands-off' policy be the management."

Volunteers and Professionals in the Baltimore Area Council have carefully delineated natural areas within the reservation where a hands-off policy has been practiced for over fifty years.

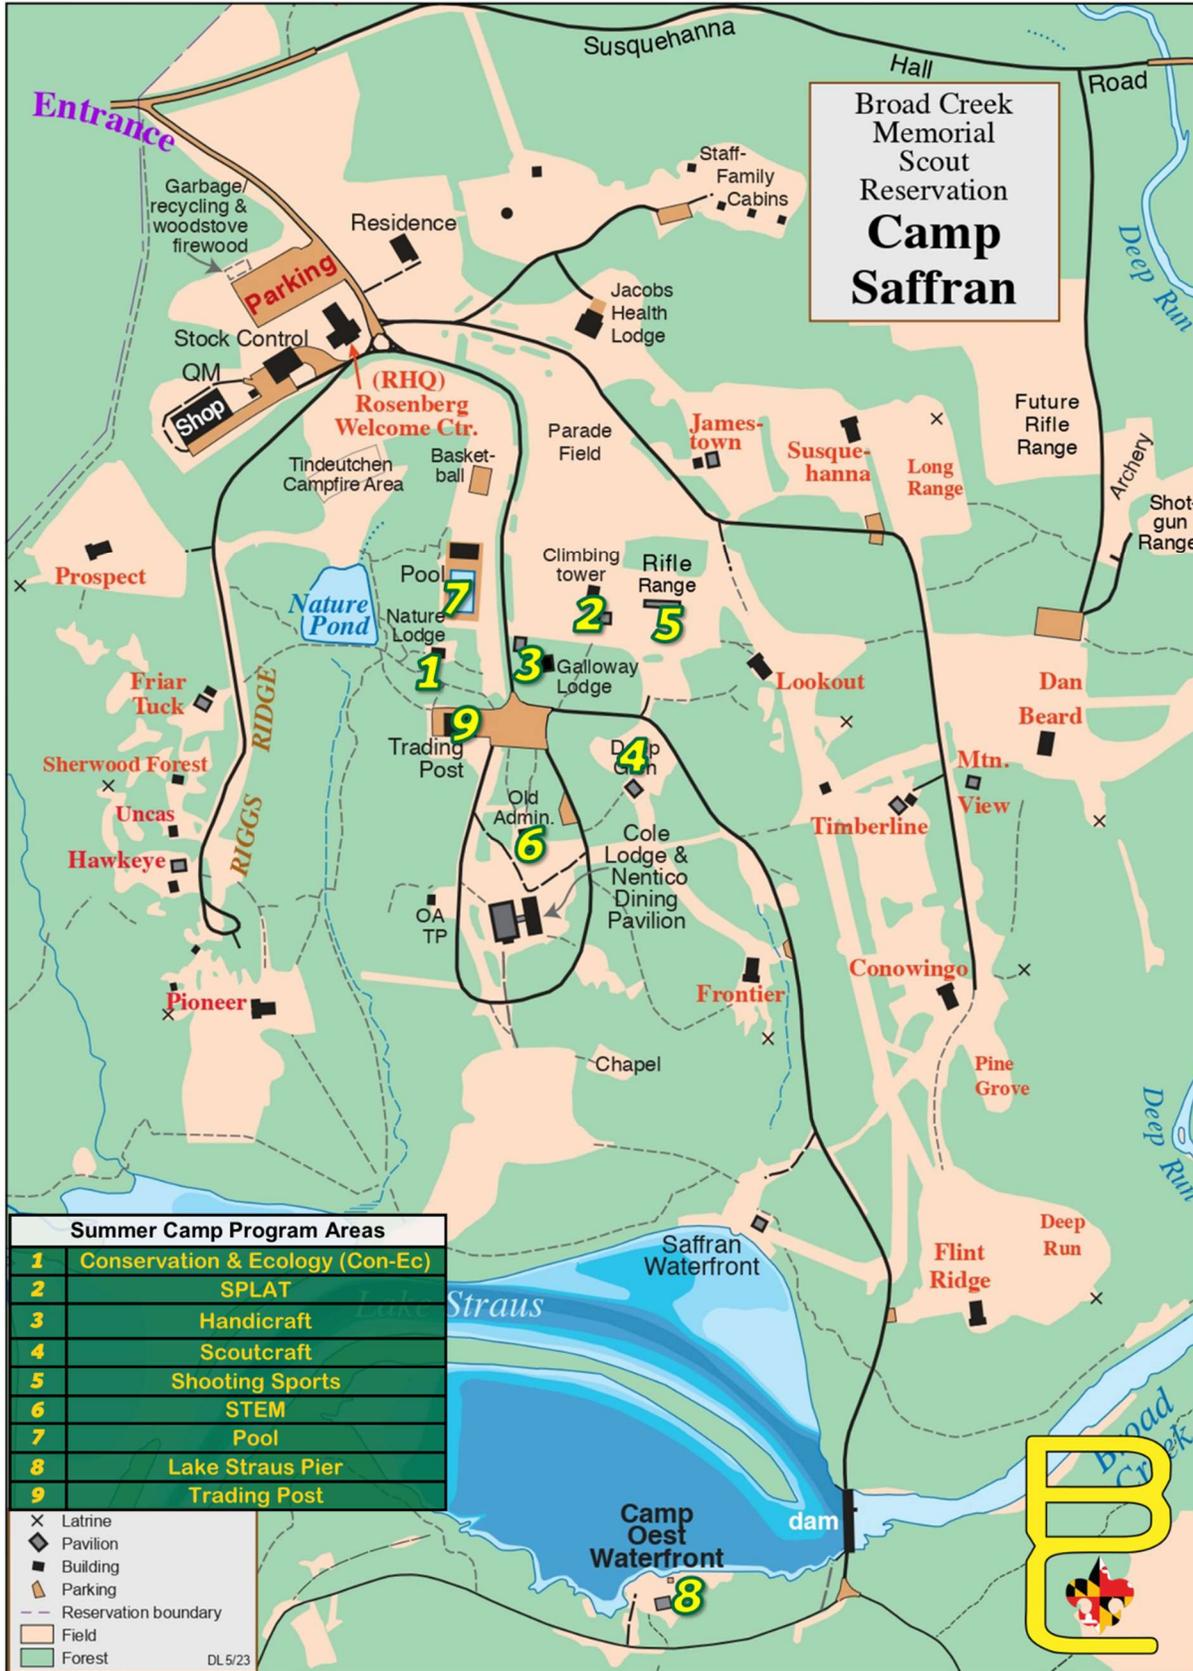

No portion of the reservation larger than nine acres has ever been sold or lost. The Council

recognizes Broad Creek's value for youth education, wildlife observation, backpacking, hiking, and other challenging Scout programs, and has striven to support these many uses. Little did the camp founders know in 1948, seventy years later, every acre would become invaluable to the success of the overall camp program, whether that land lay in the core of camp or in the "buffer" areas near the camp boundary. Baltimore's suburban sprawl has placed increasing pressure on all sides of BCMSR for the past several decades. Recent efforts with the Harford County Land Preservation and Federal Forest Legacy Programs will help assure that the property will remain undeveloped in perpetuity. Broad Creek has become one of the last locations near Baltimore where youth and adults can learn outdoor skills and enjoy a remote wilderness experience.

Parental Release of Campers Form Broad Creek Memorial Scout Reservation

This form is to be used only if a camper will be picked up during camp.

To ensure the safety of all campers, the Baltimore Area Council, BSA has enacted the following policy. Any camper, who leaves camp prior to normal departure time on Saturday morning with their unit, will only be permitted to leave under the auspices of an adult approved by the parents of the camper. This Parental of Campers Release Form, signed by the parents of the camper must be on file at the Camp Administration Building. This form will list all adults, who are authorized by the parents, with whom their son or daughter may leave camp. **Procedures for early departure:**

1. This form must be completed and signed by: the adult, the unit leader, and the camp representative.
2. The Adult must be listed favorably on the Parental Release of Campers Form.
3. The adult must be positively identified with a photo ID and accepted by the in-camp Unit Leader
4. Provisions must be made for retrieving outstanding advancement paperwork for the departing Scout, as the camp is unable to deliver/send.
5. The Scout can then be released to the adult.
